

# ULTRATONE<sup>®</sup>

In 30 Minutes You Can See Results.  
Be Pampered, Be in Shape, Be Happy

Lie back and relax whilst Ultratone does the Beauty.

## FACE MENU For a Younger Looking Face

Ultratone offers you every facial improvement you desire. Just see what Ultratone can do for you in a 30 minute treatment.

**Non Surgical Facelift** Programs will exercise and lift the facial muscles, reducing fine lines and toning saggy skin.

**Anti-Ageing Smooth and Tone** will enhance the production of collagen and elastin, toning and lifting deep muscles.

**Lymphatic Drainage and Toxin Release** will activate the lymph nodes to drain out extra fluids and toxins for a clear complexion.

**Wrinkle Reduction** will be achieved by tightening sagging facial muscles and smoothing out the skin.

**Smile again** will vastly improve the area around the mouth, making your smile radiant and young again.

**Microcurrent Ultracell** will energise the active ingredients in creams and gels to rejuvenate & tone the skin; ideal for improving texture and elasticity.

**Maintenance** programs will ensure that all the benefits and results achieved are sustained.

## BODY MENU For the Figure of Your Dreams

Ultratone offers you a vast array of Ultimate Bodyshaping programs that are designed to achieve long term results.

### Ultrafast Inchloss & Slimming

Programs will give you results from your first treatment. Maintain them with a course of 12.

**Anti Cellulite & Circulation** Programs will help break down cellulite and improve circulation in the treated area.

**Body Sculpting** will provide all the shaping and slimming signals to reduce waist measurements and cellulite for a superb figure.

**Lift, Tighten & Tone**, three combined Programs to lift, tighten and tone exactly where is needed.

**Multi Body** is Pure Indulgence as three separate body areas are improved simultaneously with three different Programs.

**Holistic Fitness** comprise a series of programs that will strengthen, build and tone muscles faster than ordinary exercise.

### Lymphatic Drainage and Detox

Programs will give you a soothing massage and flush out extra fluids to reduce puffiness.
